24th November

Dear Parents,

Aladdin – 05-12-23

On Tuesday 5th December, we will be having a travelling theatre group bring a pantomime version of “Aladdin” to school to entertain and educate your children.

The whole school will be invited to see the performance on the morning of the 5th December.

As you can imagine, the cost of something like this is very expensive to school and this year it is costing us approximately £1000 to give your children this fantastic opportunity to experience live theatre.

This year we are asking you to donate £3.00 per child to support paying for the performance, as you did last year for “Snow White”.

School will then pay the majority of the cost, supported by our school budget. As a result, please can you make a one off payment of £3.00 by Monday 4th December to support us funding this event.

You will also be required to consent to your child watching the panto, which must all so be done by Monday 4th December.

You will be able to pay this contribution and make your consent via ParentPay in the usual way.

This is a great opportunity for all our children, particularly at that time of year and I feel sure you will all want to support us, in giving your child this fantastic experience.

If you have any questions about this letter or the performance of “Snow White”, then please do not hesitate to contact school.

Yours sincerely

Mr P Newby

Headteacher
