

Music Coverage for Music Express Online

These are the Music Express On-line units you should be covering. There is equal mixture of the different musical elements: **pitch**, **sound**, **beat**, and **performance** units in KS1 and composition, **performance**, **beat**, **pitch**, **structure** and **notation** in KS2. I have taken an overview of 2 year groups grouped together, 1 and 2, 3 and 4, 5 and 6. Please make sure if you do change any units that you are still covering the required elements.
