WEEK ENDING
9th OCTOBER
2026

Celebrating achievement, belonging and the wonderful things happening across Brickhouse.

FROM THE HEADTEACHER

Dear Parents and Carers,

This week has been filled with many successes across our school. We are particularly proud of our newly appointed pupil leaders and all the children who continue to demonstrate our school values every day.

It has been wonderful to see pupils engaged in their learning and celebrating their achievements. I would also like to thank all the parents, carers and friends who attended our assemblies this morning. It was lovely to see so many of you in school and to share these special moments with our children.

I am very much looking forward to welcoming parents and carers to our Parents' Evening next week. It is a valuable opportunity to celebrate your child's achievements, discuss their progress and strengthen the partnership between home and school.

Thank you for your continued support and encouragement. I wish you and your families a wonderful weekend.

LEARNING SPOTLIGHT

Year 1

Year 1 immersed themselves in the traditional tale *Jack and the Beanstalk*, bringing the story to life through an engaging role-play performance. The children confidently shared their learning with a visitor to the school, showcasing impressive expression, creativity and storytelling skills. We were incredibly proud of their enthusiasm and growing confidence.

Year 4

Year 4 have been working exceptionally hard in mathematics, developing their understanding of subtraction with regrouping. The children demonstrated resilience, determination and excellent reasoning skills as they tackled increasingly challenging calculations and explained their mathematical thinking with confidence.

Year 5

Year 5 explored the captivating text *Space boy* and used the author's inspiration to create their own outstanding setting descriptions. The children transported their readers into imaginative worlds through the use of ambitious vocabulary, rich detail and vivid imagery, creating writing that was both engaging and atmospheric. We were extremely impressed by their creativity and flair as young authors.
